Lovato Electric SpA

LOVATO ELECTRIC SpA, one of the world's largest manufacturers of components for Automation, Industrial Control and Energy Management, and the CNOS-FAP Federation have entered into a collaboration agreement ^[1] to research and experiment with various ways of collaboration, connection and interaction in order to improve the knowledge and technical-professional skills, technological and operational of teachers, trainers and students of Salesian works belonging to the electrical sector (VET, ITI, IPSIA, ITS) as well as to identify activities that combine the educational purposes of the education and training system with the needs of the productive world, with a view to facilitating the transition and the relationship between the moment of training and work.

The collaboration will also be aimed at providing adequate support to companies and professionals through continuing education actions in the areas and fields that each VET, in agreement with LOVATO ELECTRIC SpA intend to develop.
