Finder S.p.A.

Finder S.p.A. and the CNOS-FAP Federation with this [collaboration agreement](#) [1] undertake to seek and experiment various ways of collaboration, connection and interaction, in order to improve the knowledge and technical-professional, technological and operational skills of teachers, trainers and students of Salesian works belonging to the electrical sector (VET, ITI, IPSIA, ITS); as well as to identify activities that combine the educational purposes of the education and training system with the needs of the productive world, in the perspective of facilitating the transition and the relationship between training and work moment. The collaboration will also be aimed at providing adequate support to companies and professionals through continuing education actions in the areas and fields that each VET, in agreement with Finder S.p.A., intend to develop.
