Forlì

Direttore: Rosario Sergio Barberio

Year of foundation: 1954

Origins and development: The Vocational Training Centre “Don Bosco” in Forlì, as all the centers of Christian inspiration, has always pursued institutional purposes of vocational training and updating in reference to Christian values, the preventive system of Don Bosco and the Salesian educational practice. The Vocational Training Centre operates in vocational training since 1954 and has always been in line with technological developments, constantly relating to the needs of the labour market. The Centre interacts in different sectors: in Industrial Mechanics, Advanced Tertiary, computerisation programmes and Multimedia.

Sectors and activities today: it promotes Initial, Continuing and Higher Vocational Training activities not publicly funded and other activities.

It mainly operates in Mechanical and Automotive sector.
