## DMG MORI

DMG MORI Italia and the CNOS-FAP National Federation with this [agreement](#) <sup>[1]</sup>, signed on 03/23/2018, commit themselves, in full respect of their respective roles, to research and experiment various ways of collaboration in order to facilitate the interaction, the relationship and the transition between the training moment and the work moment.

DMG MORI Italia makes itself available to collaborate with the CNOS-FAP Federation to qualify its instrumental resources (laboratories, classrooms, etc.) and elevate the technical-professional, technological and operational skills of trainers, teachers and students of Salesian CFPs and Technical and Professional Institutes. The partners also work together to enhance and spread across the country the educational, cultural and professional growth of young people through quality training offerings.
