Mobilità Erasmus+ KA1

International activities and in particular Erasmus+ Mobilities have always been a pillar of the CNOS-FAP strategy to promote the professionalism of students and key figures of VET.

For the period 2014-2020, CNOS-FAP Foundation had obtained the **Erasmus+ VET Mobility Charter**, renewed for the period 2021-2027 by obtaining the **Erasmus+ Accreditation for Vocational Education and Training**.

The Erasmus+ Accreditation, which is awarded only to organisations offering quality mobility experiences, has enabled the Foundation to gain easier and simplified access to funding opportunities under Key Action 1 focused on promoting individual learning mobilities aimed in particular at: students (3rd and 4th year), trainees, apprentices, recent graduates and newly qualified (within one year of qualification), trainers, vocational training experts and EU project designers.
